

To Parents/Guardians,

**Picture Day is coming up on:**  
**Thursday, September 10th, 2020**

This year, picture day will operate under specific "**Covid Safe**" parameters.

**NO ORDER FORMS. ONLY ONLINE ORDERING AFTER  
PICTURE DAY!**

Our photographers and staff will wear masks and practice social distancing!

Also to prevent forms being distributed unnecessarily to students and parents - this year you can easily purchase your pictures online in a secure online way on any device.

1. Simply scan the QR code that comes home with your child on picture day
2. Click on the link that pops up
3. Make your order from our usual array of packages
4. Once payment is placed you will receive a confirmation email

**That is it**, you don't have to do anything else and your child does not need to bring anything to school on picture day. Around 2 weeks after the shoot you will receive your order back at the school or drop ship to your home depending on what was selected.

**Another Method if you do not have a QR scanner:**

**Go to:** [downtownphoto.gotphoto.com](http://downtownphoto.gotphoto.com)

**Enter the access code given to your child on picture day**

Remember you can use a smart phone or work computer for example to make the purchase using a debit/credit card

Regards,  
**Downtown Photography**
