Good evening student and parents. This is Mrs. Gillott, principal of Unioto Middle School where our students Learn, Lead, and Make A Difference. We have just a few announcements. Student-parent-teacher conferences will be held Thursday, Sept. 24 from 3:00-6:30. If you would like to schedule a conference, please contact your child's teacher or call the office and we will be happy to schedule a conference for you and your child. All students receive free breakfast and lunch at this time. It is important that you still complete the free and reduced form in the event that the funding should end for free lunch. Just a reminder that school pictures can be ordered online through Downtown Photography. We would also like to remind you that the middle school athletic events must also follow the guidelines put forth by OHSAA. It is important that we follow these guidelines for sports to continue. They are as follows: Spectators must wear masks in the stands and observe social distancing. Spectators should have a son, daughter, or close relative on the team. Students cannot attend unless they are related to a player on the team. All children must remain with parents and be seated in the stands.

Thank you and have a great evening.
