

All call, Tuesday, Sept. 8

Good evening. This is Mrs. Gillott, principal of Unioto Middle School where our students learn, lead, and make a difference. We would like to thank you for helping us give our students a smooth start to the school year. I have just a few announcements . School picture day is Thurs. Sept. 10th. VLA students may have pictures taken on make up day which we will announce at a later date. You will order pictures online after they are taken so students do not have to return a form to school. Information was sent home with students on Friday and is also posted on the Middle School webpage. We would like to remind you to return all forms that were sent home with students. Students also need to return library and textbooks that they may have taken home in March. There will be no school on Monday, Sept. 14 due to teacher professional development . Thank you and have a great evening.
