

Hello Unioto families,

My name is Kim Tipton and I am super excited to announce a new program our school is offering this school year. It's called "Unioto Kids Closet". This program is completely FREE and will help provide clothing for children in our school district. All you need to do to sign your child/children up is fill out the form provided and send it back to school with your child. We will send clothing home with your child/children one to two times a month depending on the number of donations we receive. Please fill out every section of the form and don't leave any sizes blank.

Please like our Facebook page "**Unioto Kids Closet**". I will post when we will be working at the Kids Closet which is located across the street from the elementary in the administrative building. I would love to have as much help as possible with this program. You can help by donating kids' clothes, in gently used condition, no holes or stains. We ask that all items be laundered prior to donation. You can drop them off to me any time that I am at the administrative building. I will post the days and times I will be there on our Facebook page and there will be drop off areas in the elementary. I could also use as many volunteers as I can get. We will be sorting sizes, hanging clothes to keep them organized, bagging them, and delivering to the school. I know this program can be a huge success for our school with your help. I look forward to working with all of you.

If you have any other questions, please feel free to message me on Facebook!
